About us

AMJ Trading Company is a leading wholesale trading enterprise headquartered in the United Arab Emirates (UAE), specialising in strategic supply chain solutions across various industries. We provide high-quality garment accessories, sterilizers & disinfectants, home appliances, paper products, and IT equipment to businesses, governmental organisations, and humanitarian agencies worldwide.

With a strong commitment to excellence, sustainability, and ethical procurement, AMJ ensures that all products meet international standards, catering to the diverse needs of commercial, industrial, and humanitarian sectors. Our extensive global network allows us to deliver cost-effective, reliable, and scalable solutions, making us the preferred partner for international clients, including UN agencies, private enterprises and government procurement bodies.

Vision

AMJ aspires to be a trusted global supplier, known for our commitment to reliability, sustainability, and ethical sourcing. We aim to support international organisations, governments, and private enterprises by providing high-quality products and efficient supply chain solutions that drive social impact, enhance operational efficiency, and foster long-term partnerships

Mission

Our mission is to provide superior procurement solutions that meet the diverse needs of UN agencies, INGOs, governments, and private sector clients. We are dedicated to exceeding client expectations by delivering quality products, ensuring compliance with international standards such as ISO 20400 (Sustainable Procurement), and fostering ethical sourcing practices. We aim to enhance supply chain efficiency by leveraging our robust logistics network across the Middle East, Africa, and Asia. Our goal is to build long-term, mutually beneficial partnerships with clients across both public and private sectors, ensuring that we contribute positively to the communities we serve.
